

Owen County  
LOW VISION  
PHONE  
BOOK

This is presented to you by  
Wabash Independent Living  
and Learning (WILL) Center

The numbers in this book are just a few of the many in your community that you may need. Looking up phone numbers is difficult if not impossible for many of us. There is room in the back to write ones that are not in here that are important to you.

We hope this helps.
